

ENRICHING YOUNG LIVES  
SINCE 1947

---

*2019-2020 ANNUAL REPORT*  
OCTOBER - SEPTEMBER

---

# A MESSAGE FROM THE 75<sup>TH</sup> PRESIDENT

From our humble origins in 1947, The Guardsmen has been focused on trying to provide opportunities for at-risk youth throughout the Bay Area. What started as an effort to send a few young women to a regional swim meet has evolved into an organization that last year sent 230 kids to school, and strategically supported our partner camps as they tried to remain solvent by raising over \$2.4 million dollars. While I am inspired by what this organization has become, I am pragmatic in my realization that, at no time in our near 75-year history, has the need been greater.

On behalf of The Guardsmen, as we present our 2019-2020 Annual Report, I'd like to thank every one of our donors for helping us in our most trying year. Your generous contributions, coupled with our members' volunteer efforts, not only changes the day to day lives of the kids we serve, but more importantly, it provides them the opportunity to reimagine their future.

Since our founding, The Guardsmen has persevered through wars, recessions, and hard times, always finding a way to fulfill our commitment to our partner schools and agencies in the community. It should come as no surprise that,

despite the numerous challenges COVID presented, we met our ambitious fundraising targets and helped the kids who were in the most need.

I write to you today, hopeful that the global pandemic of the last 15 months is winding down, but conscious that its impact on our communities and the kids we serve will be long-lasting. Our event committees re-imagined our traditional events, we created new fundraising initiatives, and our Campership & Scholarship committees worked with our partners, providing funding and additional resources to ensure they could weather this storm. Our members have been resilient, and our staff has been amazing in keeping our organization functioning and providing strategic support to our partners in need.

In addition to the pandemic, 2020 was an important year of acknowledgment and awareness for many in this country about the effects of systemic racism. The Guardsmen mission remains focused on improving the lives of all underprivileged youth in our community. While we do not focus our efforts on any specific race, we support a disproportionate number

of African Americans and other people of color. We have known this reality since our inception, but it is a clear reminder of the uneven opportunities in this country. We, as an organization, are committed to doing better in our own membership and in our support of our partners to address this issue.

On behalf of our members, staff, and program partners, thank you! Thank you for your generous contributions and your commitment to the children we support. Together we will continue to make a difference at a time our community needs it most.

All the Best

Thomas McKinley  
75th President of  
The Guardsmen

# ABOUT THE GUARDSMEN

## MISSION

The Guardsmen makes a life-changing difference in the lives of at-risk youth by raising funds for scholarship, campership and other youth programs. We mobilize the talents, energy and resources of our members, friends, families, and professional colleagues, and in doing so, strengthen our entire community.

## OUR BEGINNING

In 1947 a group of young San Francisco professionals, who were to become known as The Guardsmen, joined together to help disadvantaged children in the Bay Area. These young men recognized that they were among the most fortunate members of society, who had good careers, loving families, and many opportunities – past, present, and future. They decided they had a responsibility to “give back” in the interest of individual children, and society at large. They were concerned that although at-risk youth were provided basic necessities and help by existing civic and community agencies, many children had no opportunity to experience life outside the confines of an often harsh inner-city environment.

Beyond this desire to give back, these founding members of The Guardsmen also enjoyed the camaraderie that came from working together. The Guardsmen recognized that they could combine fun, fellowship

and fundraising. To this end, The Guardsmen began hosting fundraising events – dinners, raffles, a Christmas Tree Lot – in order to raise money for local children’s charities and programs. Membership of The Guardsmen was established entirely through word-of-mouth, and the organization quickly became a network of talented young individuals committed to building stronger communities. Over time, national, state, and civic leaders began to formally recognize The Guardsmen’s efforts and its vision for impacting youth through enhanced opportunities.

The Guardsmen’s first efforts revolved around the importance of athletics and outdoor activities. The Crystal Plunge Swimming Team was one of the first recipients of support when The Guardsmen helped them travel to Chicago to compete in the AAU championships. Several of the team’s members went on to win gold medals at the 1948 Olympics.

Early Guardsmen members recognized that children at-risk benefited from a mentor relationship, particularly if it was cultivated in a setting conducive to developing friendships (ex: “the great outdoors”). Thus, The Guardsmen began a program that thrives today in order to send at-risk children and youth to summer camp: The Guardsmen Campership Program.

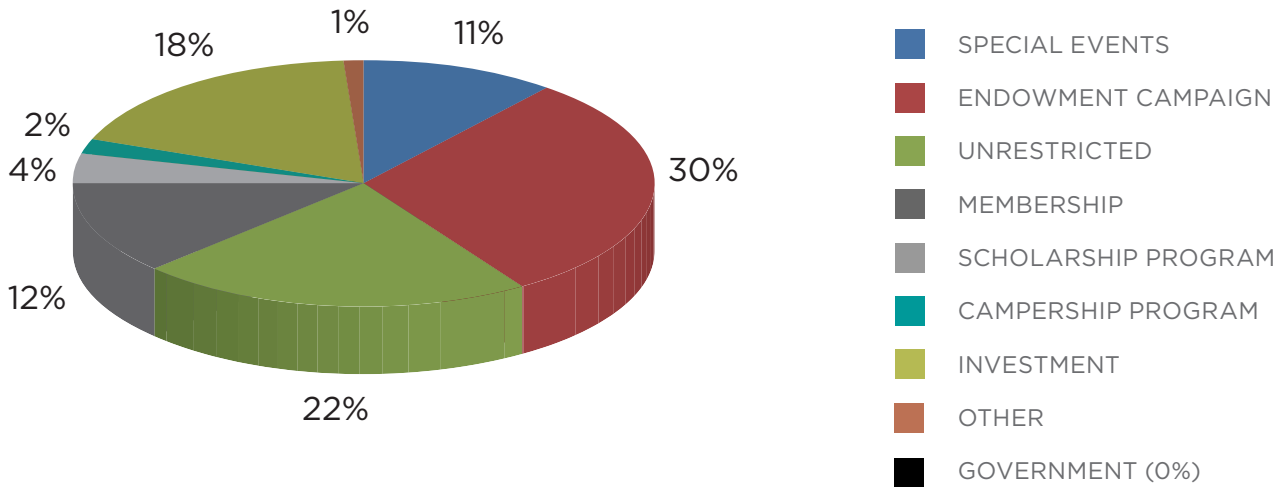

During a strategic review on the 50th anniversary of the organization in 1998, The Guardsmen identified a need for improved educational choices for at-risk youth, many of whom were lost in an unresponsive and dysfunctional education system that only reinforced cycles of poverty and violence. To address this need, The Guardsmen Scholarship Program was created in order to provide partial private school scholarships for at-risk children and youth.

## BACARDI LIMITED SUPPORTS THE TREE LOT

Family-owned Bacardi Limited, the largest privately held spirits company in the world, values corporate responsibility through its Good Spirited program. In 2020, Bacardi reinvigorated its priorities to ensure that they were making the most positive impact in the areas most material to its business. Through Good Footprint, Good Futures, Good Sources, and Good Choices, they market responsibly, operate sustainably, and take care of their people and communities. Their Good Spirited goals also align with the 10 responsible business principles of the United Nations Global Compact (UNGC), as well as the United Nations Sustainable Development Goals (SDGs), which are part of the 2030 Agenda for Sustainable Development. In addition to offering paid time off for their employees to volunteer in their communities, Bacardi also gives generously to non-profit organizations. The Guardsmen is so grateful to have received nearly \$27,000 from Bacardi during the 2019-2020 fiscal year, directly supporting our three-week long Tree Lot and our Tree Lot Party, serving roughly 4,000 guests.

## THE EVERGREEN SOCIETY

The Evergreen Society recognizes The Guardsmen's members/donors who give and/or intend to give a cumulative total of \$25,000 to any of The Guardsmen's Endowment Funds. As a complement to the Senior Scholarship Endowment Campaign (2017-2021), we are providing the opportunity for donors to show their support not only through lifetime donations, but also through bequests. We hope the creation of this society will honor those who have chosen to leave a major gift that supports The Guardsmen in perpetuity, while also inspiring others to do the same.

# CAMPERSHIP PROGRAM

The Guardsmen Campership Program sends at-risk children and youth to summer camp in order to close the opportunity gap through environmental education and stewardship, leadership training, and influential mentors. Campers must be ages 6-17, reside in the Bay Area, and meet the \*Alaska Reduced School Lunch Program financial guidelines in order to be eligible for a Guardsmen Campership.

## INTRODUCING YMCA CAMP JONES GULCH

### COVID-19 Update

The combination of COVID-19 and California's wildfires during the summer of 2020 left many of our partner agencies devastated. In spite of uncontrollable circumstances, The Guardsmen is proud to report that roughly 40% of our partner agencies were able to provide some form of in-person camp experience, while many others adopted creative, virtual camp-alternatives.

YMCA Camp Jones Gulch believes children discover themselves through interactions with others and the freedom to explore. Y Camp immerses children in a community where making friends is natural, exploring new interests is encouraged, and discovering inner strength is guaranteed. YMCA Camp Jones Gulch summer camp provides a space where children begin to gain independence and test their wings in a safe, nurturing environment.

YMCA Camp Jones Gulch is a community in which campers

learn both how to be more independent and how to contribute to a group. The spirit of camp endures when kids can explore the natural environment, test their boundaries, and get dirty!

Youth learn self-reliance and a love for nature and the outdoors. Camp develops attitudes and practices that build character and leadership, all amidst the fun of campfires, canoeing, archery, talent shows, and meaningful relationships.

Using the vibrant beauty of its own 927- acre property as well as

the breadth of dramatic natural areas throughout California, YMCA Camp Jones Gulch will ensure that kids of all ages, and families of all configurations, experience the outdoors. Camp provides pathways, inquiry, inspiration, exploration, and the art of making friends.

YMCA Camp Jones Gulch works to ensure that everyone, regardless of ability, age, cultural background, ethnicity, faith, gender identity, ideology, income, national origin, race, or sexual orientation has the opportunity to reach their fullest potential.

\*The Guardsmen uses Alaska's Reduced School Lunch Program Financial Guidelines, as opposed to Hawaii's or the 48 Contingent States', so that more children will be qualified for funding. The poverty line for the 48 Contingent States (\$25,750 for family of 4) is not a fair reflection of San Francisco's poverty line.

Trinity has always been drawn to the outdoors. The fifteen-year-old grew up in a family that went hiking and camping on occasion; she says of that long-time connection, "I just feel like I belong outside."

Trinity's first hiking trip with YMCA Camp Jones Gulch was the Yosemite trip. She had signed up by herself and was worried about how she would fit in with a group of strangers.

Enduring the hardships made Trinity feel strong and accomplished. The following summer, with a full scholarship, she was able to participate in a trip to Big Basin!

She credits great growth in self-confidence and maturity with her experience from these trips. The trips created a space and support to work on emotional and social challenges. "It was, in a way, a completely new feeling for me. It was almost as if I was overwhelmed. What made me mature was opening myself up to others and not being ashamed of who I am or where I come from, which was awesome."

Trinity, says that her experience with YMCA Camp Jones Gulch has helped her practice gratitude, become more open-minded, and better communicate with her peers.

# SCHOLARSHIP PROGRAM

In commemoration of The Guardsmen's 50th Anniversary, The Scholarship Program was created in order to address the child education achievement gap in the Bay Area. Eligible students must reside in the Bay Area, enter one of grades K-9, maintain a minimum GPA of 2.7 and meet the \*Alaska Reduced School Lunch Program financial guidelines in order to be enrolled in the Scholarship Program. The Guardsmen commits to each recipient throughout high school as long as the student remains eligible and re-applies each year. Siblings are also given priority in order to ensure the deepest impact possible within a family.

## INTRODUCING SACRED HEART CATHEDRAL PREPARATORY

Sacred Heart Cathedral Preparatory (SHC) is the oldest Catholic secondary school in San Francisco. Founded in 1852 and inspired by the Daughters of Charity and the De La Salle Christian Brothers, in partnership with families, SHC's mission is to provide the finest education in an inclusive Catholic community of faith. SHC prepares its students to become service-oriented leaders with a commitment to living the Gospel. The student body of more than 1,350 students reflects the diversity of San Francisco and

its surrounding communities. SHC is dedicated to the intellectual and academic excellence of each one of its students and strives to develop the unique talents and passions of every individual. Its devotion is illustrated in its enthusiastic and highly educated teachers, commitment to service and social justice, innovative curriculum, and cutting-edge classroom technology.

In the coming year, Sacred Heart Cathedral is proud to be able to provide \$5.5 million in financial aid to

### COVID-19 Update

Despite a global pandemic, The Guardsmen continued to provide scholarships for 230 students from low-income households during the 2020-2021 school year. We were proud to see our partner schools produce virtual classrooms so quickly and to see nearly 57% of them be approved for in-person instruction.

students and families in need. Such support is made possible through the generosity of many alumni, parents, and benefactors, including The Guardsmen.

**The Guardsmen is proud to have provided scholarships for 25 students at Sacred Heart for the 2020-2021 school year.**

\*The Guardsmen uses Alaska's Reduced School Lunch Program Financial Guidelines, as opposed to Hawaii's or the 48 Contingent States', so that more children will be qualified for funding. The poverty line for the 48 Contingent States (\$25,750 for family of 4) is not a fair reflection of San Francisco's poverty line.

## MEET AMIR

Amir is a rising senior at SHC and will graduate with the class of 2022 and is the recipient of The Guardsmen scholarships for the past three years. Prior to SHC, Amir attended Presidio Hill School and is the first in his family of three other siblings to attend SHC.

During his time at SHC, Amir has been part of the Aerospace club, Black Student Union, CSF, and TedxYouth @SHC. Amir plays on the varsity Football team and plans on playing varsity basketball next year as well. Outside of class and SHC, Amir is part of many organizations including Vice President of the NAACP Youth Council, current Civil Air Patrol cadet, as well as a co-founder the San Francisco City Wide Black Student Union, a youth-led collaborative that emphasizes on the importance of Black Culture in San Francisco. Its focus is to create awareness and educate its members and others

by gaining consciousness on being a Black youth in today's society. In his free time, Amir enjoys playing basketball, playing PlayStation with friends, or catching up on homework.

Like so many students, this past year has been challenging for Amir but despite the difficulties of distance learning, Amir feels he's developed stronger time management skills and adaptability to change and has ultimately been able to navigate this year's ever-changing school environment successfully. One of the silver linings of this year for Amir is having the chance to be a part of the inaugural year of the official inception of SHC's Black Student Union.

When asked what Amir appreciates most about SHC he shared, "I appreciate the kind and close-knit community I have at SHC. Whether this be with my friends, classmates, teammates, or even my teachers. All in all, SHC has been a great place providing me with amazing academic courses and many team-building activities."

With graduation on the horizon in just a year, Amir has been considering his options for college. He's been looking at WestPoint, the Naval Academy, Tuskegee University, the University of Oregon, Texas A&M and the United States Air Force Academy as his top choice. After college, Amir hopes to be on his journey as a pilot which he hopes will lead to a career as astronaut for NASA. Amir truly embodies SHC's motto of *Enter to learn, leave to serve*.

## PARTNER SCHOOLS

In recent evaluations of our Scholarship Program, committee members came to realize that while many schools were being served, the quality of their education to our recipients was not being monitored or measured through the application process. In order to maximize The Guardsmen Scholarship, committee members decided, and the Board of Directors agreed, that setting greater expectations for our partner schools would give our Scholarship recipients a far better chance at breaking the cycles of poverty, furthering their education, and setting themselves up for success. During the 2019-2020 school year, The Guardsmen partnered with 23 schools and will continue to annually choose to partner with schools that are in line with our mission, produce high performance and graduation rates, and provide positive environments for their students to learn and thrive.

## A SPECIAL THANK YOU TO OUR VOLUNTEERS

The Guardsmen would like to especially thank the hundreds of volunteers who make our events possible. You support our members' efforts and consequently are responsible for the success and longevity of The Guardsmen's Campership and Scholarship programs. We would not be where we are today without your skills, time, and generosity!
