

ENRICHING YOUNG LIVES
SINCE 1947

2018 - 2019 ANNUAL REPORT
OCTOBER - SEPTEMBER

A MESSAGE FROM THE 74TH PRESIDENT

Since 1947, The Guardsmen has been working to make a material impact on the lives of Bay Area youth. What started out as an effort to send a few young women to a regional swim meet has evolved into an organization that last year sent 1,974 kids to camp and 281 kids to school. What began with a single raffle has now evolved into a 73-year fundraising effort that last year culminated in over \$2 million dollars being raised for youth in need.

On behalf of The Guardsmen, as we present our 2018-2019 Annual Report, I'd like to thank our donors for believing in our mission. Your generous contributions amplify our members' volunteer efforts, and together we've been able to create a compounding effect that improves young lives and impacts our Bay Area communities.

Through the years, The Guardsmen has continued to evolve and

adapt to the challenges of the day. Through wars, recessions, and hard times, The Guardsmen has always found a way to fulfill our commitment to the communities we serve. This year will be no exception.

I write to you today in the middle of a global pandemic. Despite the uncertainty, we remain focused on our mission. Our event committees continue to plan and re-plan our fundraising events, and our Campership & Scholarship committees continue to work with our partners to identify and secure new sources of funding. Our staff has also managed to find a way to keep us all organized from their makeshift home-offices.

As a member, I've been amazed at the resilience of this organization through this very difficult time. With our event-based fundraising on hold for the foreseeable future, we've turned to creative and new ways to reach our fundraising objectives through virtual webinars and campaigns and feel honored to see so many of our donors stepping up to help fill the gap.

On behalf of our members, staff, and program partners, thank you! Thank you for your generous contributions

2019 - 2020 Senior Board Members (left to right), Jeff McFarland, James Holder, Joseph Elefante, and Mike Hall celebrate the new fiscal year at The Guardsmen's annual Changing of the Guard event.

and your commitment to the children we serve. Together we will weather this storm. Together we will continue to make an impact at a time when it is most needed.

Keep the faith,

ABOUT THE GUARDSMEN

MISSION

The Guardsmen makes a life-changing difference in the lives of at-risk youth by raising funds for scholarship, campership and other youth programs. We mobilize the talents, energy and resources of our members, friends, families, and professional colleagues, and in doing so, strengthen our entire community.

OUR BEGINNING

In 1947 a group of young San Francisco professionals, who were to become known as The Guardsmen, joined together to help disadvantaged children in the Bay Area. These young men recognized that they were among the most fortunate members of society, who had good careers, loving families, and many opportunities – past, present, and future. They decided they had a responsibility to “give back” in the interest of individual children, and society at large. They were concerned that although at-risk youth were provided basic necessities and help by existing civic and community agencies, many children had no opportunity to experience life outside the confines of an often harsh inner-city environment.

Beyond this desire to give back, these founding members of The Guardsmen also enjoyed the camaraderie that came from working together. The Guardsmen recognized that they could combine fun, fellowship

and fundraising. To this end, The Guardsmen began hosting fundraising events – dinners, raffles, a Christmas Tree Lot – in order to raise money for local children’s charities and programs. Membership of The Guardsmen was established entirely through word-of-mouth, and the organization quickly became a network of talented young individuals committed to building stronger communities. Over time, national, state, and civic leaders began to formally recognize The Guardsmen’s efforts and its vision for impacting youth through enhanced opportunities.

The Guardsmen’s first efforts revolved around the importance of athletics and outdoor activities. The Crystal Plunge Swimming Team was one of the first recipients of support when The Guardsmen helped them travel to Chicago to compete in the AAU championships. Several of the team’s members went on to win gold medals at the 1948 Olympics.

Early Guardsmen members recognized that children at-risk benefited from a mentor relationship, particularly if it was cultivated in a setting conducive to developing friendships (ex: “the great outdoors”). Thus, The Guardsmen began a program that thrives today in order to send at-risk children and youth to summer camp: The Guardsmen Campership Program.

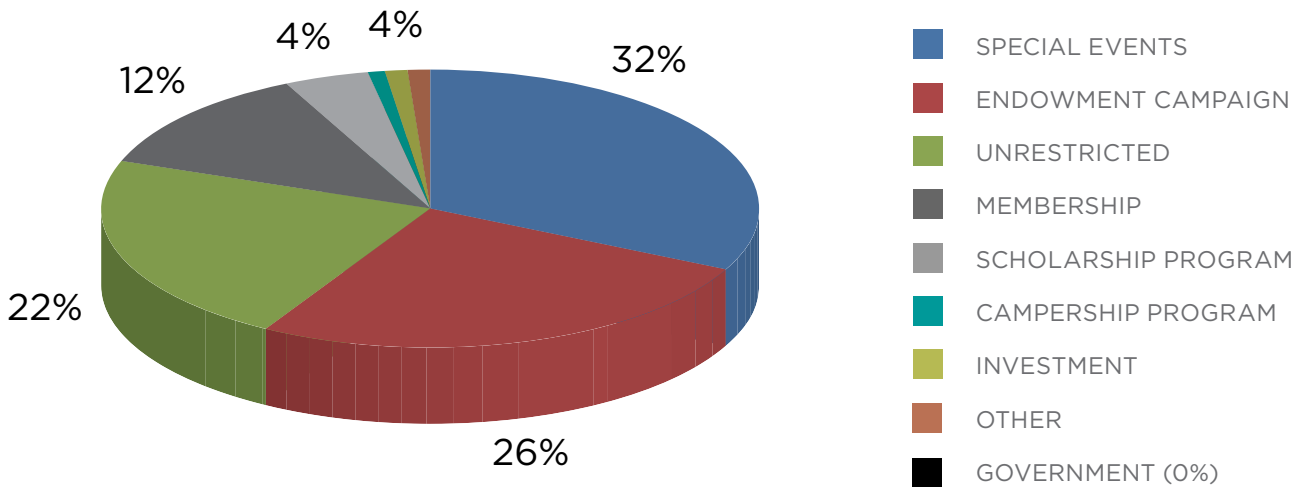

During a strategic review on the 50th anniversary of the organization in 1998, The Guardsmen identified a need for improved educational choices for at-risk youth, many of whom were lost in an unresponsive and dysfunctional education system that only reinforced cycles of poverty and violence. To address this need, The Guardsmen Scholarship Program was created in order to provide partial private school scholarships for at-risk children and youth.

Tribute gifts may be made in memory or in honor of friends, colleagues, and loved ones. Treasured gifts such as these are directed to The Guardsmen Endowment Fund, unless otherwise specified by the donor, so that the names of those we love and respect might live on in perpetuity. Endowment gifts establish a solid foundation and ensure funding for future generations. Remembered/Honored individuals are listed in green, followed by the names of donors.

CAPITAL CAMPAIGN: OVER \$3.1 MILLION RAISED SO FAR

In celebration of The Guardsmen's 70th Anniversary, The Guardsmen's Seniors Committee started a capital campaign to grow the Endowment Fund. FUNDRAISING HIGHLIGHTS

DUFF & PHELPS CHARITABLE FOUNDATION

Launched in 2018, the Duff & Phelps Charitable Foundation is committed to nurturing innovative ideas, impacting economic and social issues, and enabling progress in underserved communities around the globe. With its employee-directed fund, Duff & Phelps colleagues work together, and in close alignment with their clients, by recommending grants and volunteerism to qualifying charitable organizations, in order to assist them in achieving their goals. Thanks to one their employees, TJ Michaelson, who is also an active member of The Guardsmen, The Duff & Phelps Charitable Foundation became a new supporter this year by donating \$3,000 – enough to send roughly 11 kids to camp.

HILLSBOROUGH CONCOURS D'ELEGANCE FOUNDATION

For 65 consecutive years, The Hillsborough Concours d'Elegance has built and maintained a proud tradition of honoring and celebrating excellence in automotive design and engineering. The dedication of the Concours leadership and volunteers, pride of its entrants, and devotion of its attendees has earned Hillsborough the proud record as the longest continually running Concours in the world. The Hillsborough Concours Foundation was established in 2010 to significantly extend the philanthropic reach and impact of the Concours organization. Currently, all net proceeds from the Concours and its associated activities support The Hillsborough School Foundation, Gatepath, and The Guardsmen. The Guardsmen has been proud to partner with Concours over the last six years by providing volunteers at their annual event and helping to raise a cumulative total of \$95,000 for The Guardsmen's programs.

MATTHEW SMITH & MATCHING GIFTS

Matthew Smith has volunteered and fundraised as a member of The Guardsmen for 14 years. Like many other large companies, Matt's employers over the years have had excellent matching gift programs, promoting generosity and community engagement through charitable gifts and volunteering. Matt's current employer, Voya Financial, even provides him with 40 hours of paid time off to volunteer for his favorite non-profit. For the last six years, Matt has continued to double the impact of his generosity and time by bringing The Guardsmen \$16,250 in matching gifts!

LEVI STRAUSS & CO. & THE LEVI'S PRESIDIO 10

Giving back has been an integral part of Levi Strauss & Co. since it was founded in 1853 and investing in the community remains a key tenant of its "profits through principles" approach to doing business. Since 2014, Levi Strauss & Co. has generously remained the title sponsor of our Levi's Presidio 10 race. Every year, Levi's brings about 200 of its employees, friends, and family members to participate in the 10k race across the Golden Gate Bridge, alongside roughly 3,000 runners. The Guardsmen is proud to continue to partner with Levi's and is grateful for its cumulative support of over \$210k over the last 5 years.

TOP 25 FUNDRAISERS

Every year The Guardsmen's 150 active members are expected to raise \$3,000 each for our programs. Members are divided into 40 committees and are encouraged to work together in order to creatively involve local vendors, artists, and the community at large in the fundraising process.

THE EVERGREEN SOCIETY

The Evergreen Society recognizes The Guardsmen's members/donors who give and/or intend to give a cumulative total of \$25,000 to any of The Guardsmen's Endowment Funds. As a complement to the Senior Scholarship Endowment Campaign (2017-2021), we are providing the opportunity for donors to show their support not only through lifetime donations, but also through bequests. We hope the creation of this society will honor those who have chosen to leave a major gift that supports The Guardsmen in perpetuity, while also inspiring others to do the same.

CAMPERSHIP PROGRAM

The Guardsmen Campership Program sends at-risk children and youth to summer camp in order to close the opportunity gap through environmental education and stewardship, leadership training, and influential mentors. Campers must be ages 6-17, reside in the Bay Area, and meet the *Alaska Reduced School Lunch Program financial guidelines in order to be eligible for a Guardsmen Campership.

INTRODUCING BIG CITY MOUNTAINEERS

staff towards common goals. Youth agency staff go on the expedition with their students, ensuring that the lessons learned on the water or trail are taken back to the students' homes, schools, and communities. Agency partners are selected based on the communities they serve, alignment of specific youth development objectives and interest in participating in outdoor experiences. In California, BCM currently partners with East Oakland Boxing Association, Multicultural Center of Marin, and Berkeley Youth Alternatives. Executive Director Bryan Martin explains that the BCM model, "removes material and social barriers to participation in outdoor activities. We outfit our students from head to toe to ensure they're warm, dry, and safe. In addition, we provide a community of peers to have these experiences with and we surround them with caring adult mentors to provide support and encouragement."

The Guardsmen is proud to have supported 105 days of camp and 11 campers during the summer of 2019 through Big City Mountaineers.

Big City Mountaineers instills critical life-skills in under-resourced youth through transformative wilderness mentoring experiences. Since 1989 their wilderness expeditions have been bringing kids out of their comfort zones and into the wild, where they develop the confidence needed for more promising futures.

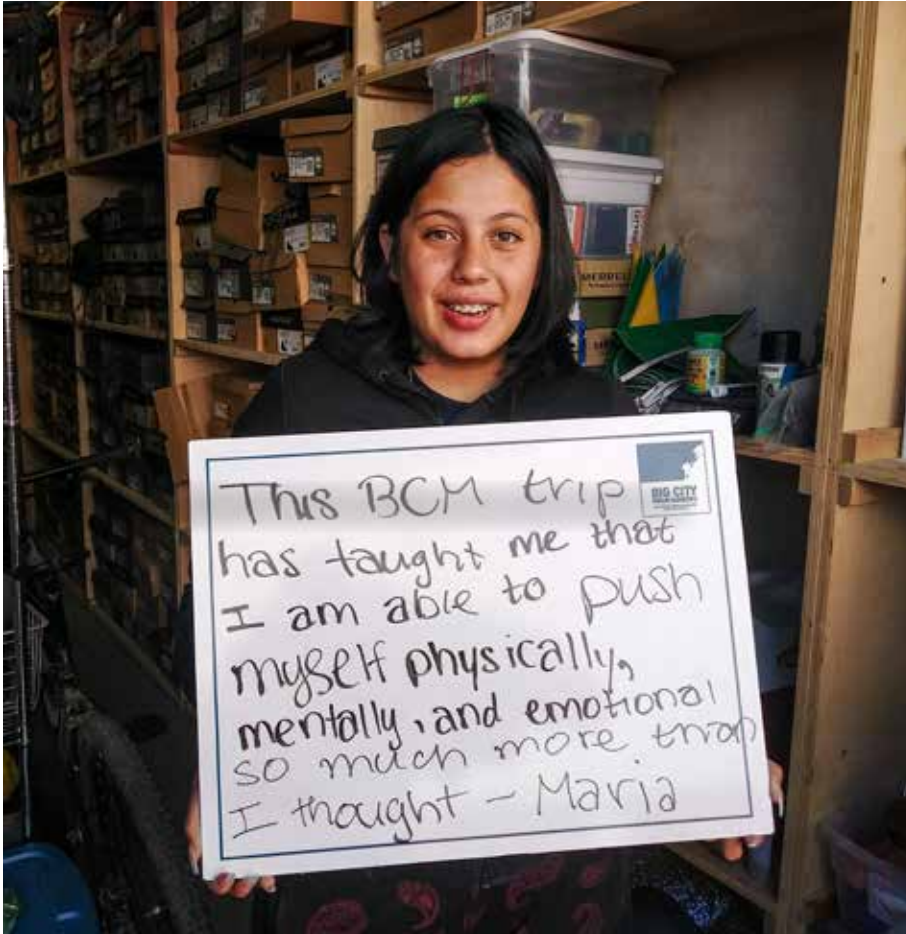

BCM's programs focus on improving the self-esteem, sense of responsibility, group communication and decision-

making skills of nearly 1,000 youth annually, while maintaining a 1:1 youth to adult ratio. They engage youth in 7 cities across the country including Boston, Denver, Miami, Minneapolis, Portland, San Francisco, and Seattle.

Rather than use an open registration model, BCM chooses to recruit its campers by collaborating with local youth agencies in order to target the youth with the greatest need, and to work with agency

*The Guardsmen uses Alaska's Reduced School Lunch Program Financial Guidelines, as opposed to Hawaii's or the 48 Contingent States', so that more children will be qualified for funding. The poverty line for the 48 Contingent States (\$24,600 for family of 4) is not a fair reflection of San Francisco's poverty line.

MEET MARIA, BIG CITY MOUNTAINEERS

Maria Samartin joined BCM from the Multicultural Center of Marin on a summer, week-long backpacking trip to the Sierras. Maria says, "One of the best things about this program is that it allows me to be in a unique environment filled with kind people. One thing that I learned about myself is that I can achieve incredibly great lengths when it comes to physical activities. I will apply this to life back home by using it to better encourage me to stay outside in nature and be active. I also learned that adults miss being kids and have a lot going on! One new goal that I have for myself is to stay going on hikes and pushing myself out of my comfort zone a bit."

SCHOLARSHIP PROGRAM

In commemoration of The Guardsmen’s 50th Anniversary, The Scholarship Program was created in order to address the child education achievement gap in the Bay Area. Eligible students must reside in the Bay Area, enter one of grades K-9, maintain a minimum GPA of 2.7 and meet the *Alaska Reduced School Lunch Program financial guidelines in order to be enrolled in the Scholarship Program. The Guardsmen commits to each recipient throughout high school as long as the student remains eligible and re-applies each year. Siblings are also given priority in order to ensure the deepest impact possible within a family.

INTRODUCING ICA CRISTO REY

SCHOLARSHIP PROGRAM IMPACT & DEMOGRAPHICS
281 students
\$1,975: average scholarship award
2 foster children
100% of graduating seniors plan to attend college
K-5 grades: 21%, 6-8 grades: 29%, 9-12 grades: 50%

ICA Cristo Rey is a diverse, all-girls college preparatory high school located in San Francisco’s Mission District that exclusively serves students from low-income families. During their four years at the school, students work five days per month at an entry-level job at over 130 Bay Area employers. Through this innovative work-study model that helps offset their tuition costs, students learn professional skills

that will serve them in college and in the workplace. 100% of the class of 2019 was accepted to college, 82% were first in their family to go to college.

The Guardsmen is proud to currently provide scholarships for 22 students at ICA Cristo Rey for the 2019-2020 school year.

*The Guardsmen uses Alaska’s Reduced School Lunch Program Financial Guidelines, as opposed to Hawaii’s or the 48 Contingent States’, so that more children will be qualified for funding. The poverty line for the 48 Contingent States (\$24,600 for family of 4) is not a fair reflection of San Francisco’s poverty line.

MEET DRE'ZHANE, ICA CRISTO REY

Dre'zhane Arceneaux is a senior at ICA Cristo Rey and has been a Guardsmen Scholar for all four years. Before ICA, Dre'zhane attended KIPP Bayview Academy, and currently lives in the Bayview District with her mother and two younger siblings, whom she hopes to inspire by graduating high school with honors and eventually graduating from college with a Criminology degree. Dre'zhane dreams of one day working as an FBI agent.

During her time at ICA Cristo Rey, Dre'zhane has had the fortune of working at Avinger, Hanna Brophy, and Bank of the West, and she is currently working at the Fenwick and West law firm. Thanks to the work-study program, Dre'zhane has built a four-year work resumé where she can highlight the skills she has developed from her work experience. Her favorite job has been Fenwick and West, because she is given a lot of responsibility, they allow her work at her own pace, and it keeps her moving and learning on her work-days.

One of the things she most proud of during her time at ICA Cristo Rey is participating in Flag Football. The team went from winning only

two games in her first season to being two wins away from the championship game in her junior year. She is also very proud of having a 4.0 GPA this year; an accomplishment she had always dreamed of and through hard work has become a reality. Dre'zhane says, "ICA has prepared me for the real world. Because of the work-study program, I have learned some important time-management skills and grit. I know the meaning of 'hard-work' and know I can do almost anything if I set my mind to it."

Dre'zhane has applied to multiple colleges including CSU East Bay, Fresno State, Sacramento State, San Diego State, Notre Dame DeNamur, and Dominican University. She has been accepted to CSU East Bay and hopes to attend in the fall.

Dre'zhane's biggest inspiration is her sister Shamonie (who also attended ICA Cristo Rey), who will be graduating from college in two years while balancing her professional and personal life. Dre'zhane and her sister Shamonie are the first in their family to attend college and, in the near future, be college graduates.

PARTNER SCHOOLS

In recent evaluations of our Scholarship Program, committee members came to realize that while many schools were being served, the quality of their education to our recipients was not being monitored or measured through the application process. In order to maximize The Guardsmen Scholarship, committee members decided, and the Board of Directors agreed, that setting greater expectations for our partner schools would give our Scholarship recipients a far better chance at breaking the cycles of poverty, furthering their education, and setting themselves up for success. During the 2019-2020 school year, The Guardsmen partnered with 23 schools and will continue to annually choose to partner with schools that are in line with our mission, produce high performance and graduation rates, and provide positive environments for their students to learn and thrive.

A SPECIAL THANK YOU TO OUR VOLUNTEERS

The Guardsmen would like to especially thank the hundreds of volunteers who make our events possible. You support our members' efforts and consequently are responsible for the success and longevity of The Guardsmen's Campership and Scholarship programs. We would not be where we are today without your skills, time, and generosity!
